SUMMARY

Data Scientist and Mathematician with a strong foundation in computational mathematics and hands-on experience in statistical modelling, machine learning, and data-driven decision-making, with a focus on creating business impact through predictive models and optimization algorithms, and scalable software solutions. Proven ability to collaborate in cross-functional teams, deliver end-to-end technical solutions, and communicate complex insights clearly to both technical and non-technical audiences.

EDUCATION

2022 - 2024

Universitat Politècnica de Catalunya, Spain

DATA SCIENTIST

- MS in Data Science (120 ECTS)
- Barcelona School of Informatics (FIB)

2011 - 2017

University of Patras, Greece

MATHEMATICIAN

- BSc in Mathematics (240 ECTS)
- Concentration: Computational Mathematics and Computer Science

2018

Oxbridge TEFL, Barcelona

ENGLISH TEACHER

- 120-hour English teacher training and practice under guidance
- Specialized in both English for Academic Purposes (EAP) and English for Occupational Purposes (EOP)

SKILLS

Data Science & Machine Learning

- Data analysis and visualization (Pandas, NumPy, Matplotlib, Seaborn)
- Feature engineering, selection, and preprocessing
- Supervised & unsupervised learning, ensemble methods
- Dimensionality reduction (PCA, t-SNE, LDA)
- Model evaluation (Precision, Recall, F1-score, ROC-AUC)
- Hyperparameter tuning (Grid Search, Bayesian Optimization)

Deep Learning & NLP

- Neural architectures: CNNs, RNNs, LSTMs, Transformers, GANs
- Natural Language Processing (NLP) using NLTK, HuggingFace Integration
- Frameworks: TensorFlow, PyTorch, Keras, Scikit-learn

Data Engineering & MLOps

- ETL pipeline development and orchestration
- Data warehousing and modeling (SQL/NoSQL: Oracle, Cypher)
- CI/CD workflows (GitHub Actions), version control (Git, GitHub)
- Model tracking and deployment (MLflow)

Programming & Scripting

- Backend: Golang, Python (primary), Java
- Frontend: TypeScript, Vue.js
- Others: R, C++, MATLAB, Bash

Databases & Querying

- SQL (Oracle), NoSQL (Cypher), data modeling, schema design

Other Skills

- Translation & transcription (English–Spanish–Greek)
- Strong written and verbal communication

PROFESSIONAL EXPERIENCE

6/2025 - 1/2026

SmartWay VP

AI ENGINEER/BACKEND DEVELOPER

- Developed an internal agile management tool as part of a short-term project, with plans for future commercial release.
- Presented educational sessions on artificial intelligence to diverse audiences, ranging from neural network fundamentals to ethical implications of AI adoption.

9/2020 - 5/2022

Transperfect

DATA ANALYST

- Member of the German team of Language Data Analysts using specific tools to improve AI.
- Member of the QA team providing meaningful feedback for project-specific non-conformances, resolutions, and quality of the files reviewed to Project Managers, external Linguists, and the rest of the Internal Linguists.

2016 - PRESENT

Freelance

TEACHER OF GREEK, ENGLISH, AND MATHEMATICS

- Private mathematics tutoring classes to students aged 8-17
- Conversational In-company English and Greek classes to adults (Volotea, Foment de Ciutat, Simon Electric, Oxfam Intermón and others)
- Greek classes to undergrad students under the Erasmus+ program
- University classes to fellow students

SEMINARS & COURSES

06/2022

Udemy

THE CODING INTERVIEW BOOTCAMP

Lectures on Algorithms and Data Structures. Problem-solving exercises using Javascript by Stephen Grider.

4/2014-5/2015

IEEE Student Branch University of Patras, Greece

ANDROID APPLICATION DEVELOPMENT

Lectures on design, usability, and evaluation of mobile applications. Simple and complex app development over the course of one year using Android Studio.

3/2017

EUROAVIA AS Patras

"20 MINUTES OF INNOVATION"

Workshop conducted at the conference center of the University of Patras, including speeches on innovative ideas of aerospace.

5/2017-9/2017

San José State University, California

INTRO TO PSYCHOLOGY

"The Science of Thought and Behavior": Nano degree program consisting of a thorough view of the major psychological concepts and principles.

LANGUAGES

- **English** (C1 Proficiency - native level)
- **Spanish** (C1 Proficiency - native level)
- **Greek** (native)
- **German** (ÖSD Zertifikat B2)
- **Catalan** (A2 Beginner)

VOLUNTEERING

03/2025

Universitat Politècnica de Catalunya, Spain

EDBT/ICDT 2025 JOINT CONFERENCE

Assisted in organizing a university-hosted database conference, supporting event logistics, attendee coordination, and speaker sessions.

2012-2017

Rhodes, Greece

MATH AND GREEK TUTOR

Online classes to underprivileged elementary pupils.
